

Job Title: Team Manager Youth Offending Team

Job specific requirements

In addition to the generic requirements, the following information provides the focus for this job.

The Focus

Youth Offending Team.

Kirklees is developing a Youth Practice Model identified as the Youth Engagement Service. This practice is designed to provide support for all Young People identified at Risk of all forms of Exploitation, Gang affiliation and Criminal influences.

As Team Manager you will be supervising within The Youth Offending Team and working with others to develop to conclusion a Youth Engagement Service.

The Youth Offending Team will be integral to the Youth Engagement Service and the role will include support, management, and delivery across the Youth Engagement Service.

The primary focus of role will be the delivery within the Youth Offending Team and the management and development of broader services in the Youth engagement Service to ensure intervention pre and post offending and the mitigation of risk associated with child exploitation.

The Person

- Experience and knowledge of management within a Youth Offending Setting.
- Experience of working across a multi-agency and multi-disciplinary team.
- Ability to manage multi-agency teams and work collaboratively with partners.
- Specialist knowledge of Youth offending practice including relevant legislation and government guidelines.
- Ability to use management systems and procedures. And develop improvements in working practice.
- Experience and understanding of delivering services to those at risk of Child Exploitation, Gang affiliation and Criminal influences.
