

## Job Title: Social Worker – Youth Offending Team

### Job specific requirements

In addition to the generic requirements, the following information provides the focus for this job.

### The Focus

#### Youth Offending Team.

Kirklees is developing a Youth Practice Model identified as the Youth Engagement Service. This practice is designed to provide support for all children identified at Risk of all forms of Exploitation, Gang affiliation and Criminal influences.

As a Social Worker you will be supervising children within The Youth Offending Team and working with others to contribute to developing a wider Youth Engagement Service, working with colleagues and managers in related disciplinary teams.

The primary focus of role will be working within the Youth Offending Team and the broader services in the Youth Engagement Service; to ensure intervention pre and post offending and the mitigation of risk associated with child exploitation.

### The Person

- Experience and knowledge of operating as a Social Worker within a Youth Offending Setting.
- Experience of working across a multi-agency and multi-disciplinary team.
- Ability to manage children subject to both Out-of-Court and Court Ordered Interventions and work collaboratively with partners in doing so.
- Specialist knowledge of Youth offending practice including relevant legislation and government guidelines.
- Ability to use case management systems and procedures and to undertake Assessments and Reports using Asset+
- Experience and understanding of delivering services to those at risk of Child Exploitation, Gang affiliation and Criminal influences.
