Apprenticeships with Kirklees Council

If you are looking for hands on experience and learning on the job, then an apprenticeship could be the right route for you. An apprenticeship with Kirklees Council will help you on your journey to grow your career alongside working towards a qualification. As a Bricklaying Apprentice you will be required to complete a 36-month training programme that will cover all aspects of the role and will be delivered through attendance and blended learning delivered by a registered training provider. We are committed to recruiting a diverse workforce and would welcome applications from underrepresented groups.

Job Purpose

You will work as an Apprentice Bricklayer. You will be required to complete a 3-year training programme that will cover all aspects of the role and will be delivered through attendance at college or other distance learning methods delivered by Kirklees College. You will complete a Bricklayer Apprenticeship and you will gain a Level 2 qualification.

College attendance and successful completion of these studies is an essential requirement of this Apprenticeship and is monitored and reviewed as part of the Apprentice role.

Our Repairs and Maintenance team provides a first-class service for nearly 22,000 council homes, public buildings, and private organisations throughout the Kirklees area.

The Team is made up of over 500 skilled employees and apprentices, with over 40 years of experience delivering a high quality, professional repairs, and maintenance service across Kirklees and offer a 24/7 call out service for emergency repairs and maintenance.

Our **General trade** disciplines include responsive repairs, property improvement and refurbishments, cyclical and planned maintenance, empty homes, adaptations, asbestos, damp and mould, Surveys, estimates and quotes. Our experienced team of tradespeople includes plumbers, joiners, glaziers, decorators, plasterers, roofers, ground workers, masons, civil engineers, and asbestos removal teams.

Key areas of Responsibility
