

Deputy Team Manager - Grade 12

Job purpose

At Kirklees we want to be innovative and creative in the way we work to deliver our services to our communities. We know we have challenging times ahead, so we are always looking for better and smarter ways to work.

As a Deputy Team Manager (DTM) you will work closely with the Team Manager to ensure that the delivery of social care services are strengths based centred and valued by the people who receive them. You will ensure that services are delivered effectively, appropriately, in line with policy, best practice guidance and legislation and within resources.

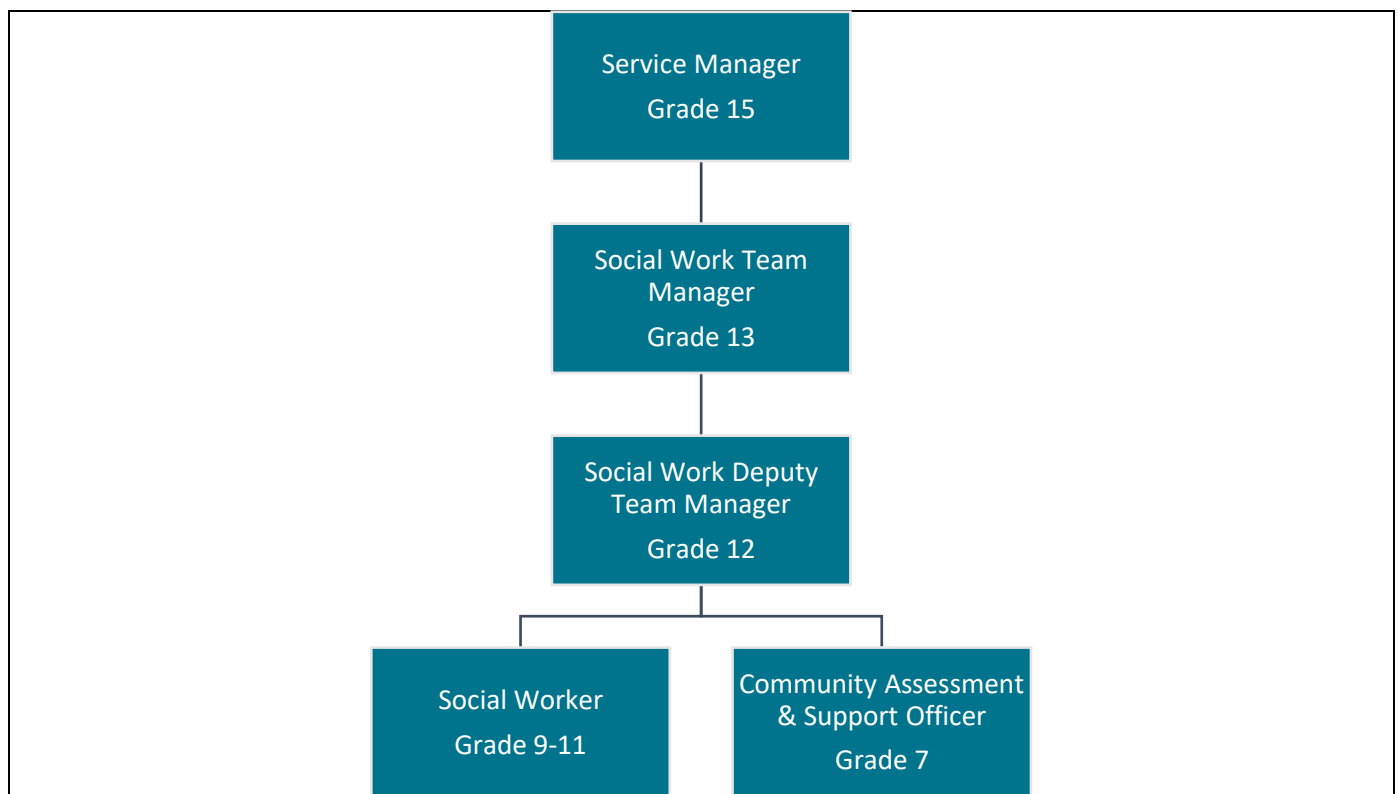

This role is based within [Adults and Health](#). Find out more about [working for Kirklees](#).

Key areas of responsibility

- The DTM will be responsible for the day-to-day operational management, supervision, and workflow of the team.
- You will be responsible for screening and allocating work and will complete caseload management ensuring cases are dealt with at the appropriate level. You will not routinely be expected to carry a caseload although you may need to either be case accountable or co-work very complex cases when necessary. You will undertake key roles as set out in the safeguarding policies for adults.
- You will provide supervision to frontline staff in line with policy, guidance, and professional practice standards. You will be aware of the policies required to manage the team and will be involved in all aspects of HR management. You will ensure that the staff you manage are supported and provided with opportunities to develop their skills and you will contribute to embedding a culture of Continuous Professional Development. Your professional Social Work expertise will be invaluable in supporting and developing less experienced members of the team.
- You will be involved in projects where required to support service developments and to improve service user experiences.
- It is expected that you will promote integrated working across all stakeholders to develop professional working relationships to share best practice. You will support the Team Manager to disseminate information and keep the team up to date.
- You will support the Team Manager in monitoring the budget of the team and have devolved financial management responsibilities relating to allocation of resources, adhering to financial processes and procedures.
- You will investigate initial complaints and work with the Team Manager to ensure that learning is embedded within the team and proactively resolve customer issues in a positive manner.
- Supports the Team Manager to ensure the delivery of high-quality, cost-effective services to provide the best outcomes for service users.

- Supports the team to positively manage risk and promote independence and wellbeing.
- With the Team Manager, is responsible for the performance of their team by ensuring the highest professional standards and conduct are implemented.
- Works within professional standards and ensures the team does the same. Ensures learning is shared and embedded in practice.
- Promotes a culture of Continuous Professional Development ensuring employees are equipped with appropriate skills and resources and empowers them to deliver services effectively.
- Provides professional leadership to employees and acts as a role model ensuring the highest quality of practice.
- Is responsible for taking a reasoned and timely approach to decision making.
- Ensures team workloads are appropriate to their level of skill and experience and cases are allocated in a timely manner.
- Works proactively within HR and Financial policies and procedures.
- Uses management information to support performance improvement and resource management.
- Develops relationships with partners to provide seamless services.
- Works with other Deputy Team Managers on the development and improvement of services.
