

Apprenticeships at Kirklees Council

In the heart of West Yorkshire lies a diverse range of towns and villages that make up Kirklees. Kirklees Council is the local authority that serves the area and its 438,000 residents (ONS, 2018).

Our vision for Kirklees is to be a district that combines a strong economy with a great quality of life. Leading to thriving communities, growing businesses, low inequality, and good outcomes for everyone.

To deliver our vision we need great employees, that are driven to work with local people and partners, to create place-based solutions.

Working for your local council means that every day, you are making a difference. But it also means you have access to:

- Working alongside experienced team members to gain a nationally recognised qualification.
- Great development opportunities
- A flexible work-life
- Employee healthcare
- A friendly, inclusive, and ambitious work environment
- Much more including a competitive salary, fantastic pension, and travel discounts/schemes
