At Kirklees we want to be innovative and creative in the way we work to deliver our services to our communities. We know we have challenging times ahead so we are always looking for better and smarter ways to work.

As Team Manager of a Social Work team you will be accountable for the development and delivery of a complex range of key services in line with policy, best practice, professional standards and legislation ensuring children are at the centre of social work practice. Reporting to the Head of service, you will work strategically as part of a wider management team to design and implement service changes and improvement.

You will have responsibility for one of the following areas: Assessment and Intervention, Front Door, Duty and Advice, Risk and Vulnerability, Children in Care, Care Leavers and Fostering. This role is based within Children and Families. Click [here](#) to find out more 

The Job

As a Team Manager of a Social Work team your professional expertise and leadership skills inspire your team to deliver the best services possible. You will ensure that risk is managed proportionately and safeguarding is of paramount importance.

You will be a professional role model accountable for quality of practice, developing the potential of all employees and promoting a culture which maximises employee contribution to achieving service objectives.

You will ensure that all staff are supported and provided with opportunities to develop their skills. You will support and embed a culture of Continuous Professional Development within the team and ensure there is high quality supervision to support individual development and career aspirations.

Overall management oversight to ensure the team has workloads appropriate to their level of skill and experience is fundamental to this role. You will take responsibility for prioritising the work of the team and effectively deploying resources.

As a strategic change manager, you will be instrumental in the shaping and commissioning of services and will lead on identifying ways of improving outcomes for children and families developing creative solutions, responding to changes in legislation and practice. You will ensure services are fully fit for purpose and be able to robustly report quality, costs and performance against national and local indicators.

You will have a key role in monitoring both individual and team performance e.g. ensuring that your team record information accurately and in a timely manner. You will have responsibility for completing audits, analysing information and putting in place any required strategies for improvement.

Developing critical partnerships across the Council and with key partners to deliver seamless services across boundaries taking a whole system approach is also key to this job.
