WELCOME & INTRODUCTION...

A MODERN APPROACH WITH TRADITIONAL VALUES...

It is a privilege and a source of great pride to serve both the school and wider community at Newsome High School. We work closely with the community, parents and carers to make sure everyone is part of our journey to continue to raise standards and create a school where everyone counts; where everyone has the chance to succeed, to discover themselves and learn how to lead a life of integrity, respect and happiness. It is vital that everyone in the community has a voice and knows that they are listened to, including pupils, staff and parents and carers.

Newsome High School is an aspirational and inclusive school. We believe in the potential of every individual to make exceptional progress from their starting points and to thoroughly enjoy their time at our school. We believe that the wellbeing and happiness of every child is essential and the needs of our children are at the heart of everything we do. Our journey is focused on having very high expectations. It means ensuring children who are successful and strive to achieve their best, know they are valued, believe in themselves and have respect for others. We aim to consistently promote fundamental British values and pupils' spiritual, moral, social and cultural development.

Since joining Newsome High in April 2017, I have experienced at first hand the special family feel our school offers and the energy from both students and staff has been a pleasure to see. I strongly welcome visitors to see this at first hand and see how being part of our school will be a momentous positive decision for both your child's future career and to join us on our journey to becoming a centre of excellence.

Are you a talented professional looking for a new challenge?

We are looking for a Behaviour for Learning Coordinator that is a forward thinking, dynamic and resilient individual who, will provide high quality pastoral qualities along with the newly established Pastoral Team. The colleague appointed will be a natural inspirer, with the ability to work collaboratively with colleagues at NHS. The successful candidate will be primarily working in our alternative provision (Platform for Learning) alongside our SENDCo and Assistant SENDCo.

Pastoral Team Information

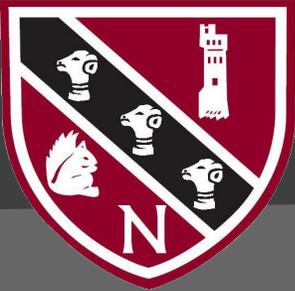

This is an exciting stage for the Pastoral Team as we have made many changes across the school over the past twelve months. The Pastoral Team consists of 1 Deputy Headteacher of Standards, 1 Assistant Headteacher of PDBA, 1 Home School Liaison & Safeguarding Officer, 1 Deputy DSL, 1 Counsellor, 5 BfL Coordinators, as well as our SENDCo and Assistant SENDCo.

Support and Opportunities

We invest in and support our staff at NHS and over the last 12 months have welcomed colleagues onto the Senior Leadership team and other whole school responsibilities as part of their development. We support outward facing initiatives through promotion of school visits and CPD training. We also have opportunities for colleagues to gain wider experience in whole school initiatives and this has supported the promotion of a number of internal appointments over the past 12 months.
