Dear Colleague

Teacher of Science

I am delighted that you have decided to consider Westborough for the next step in your professional career.

The climate for learning at our school is very good and pupils have very positive attitudes; they work hard and relationships are good. Our staff are very effective in promoting high standards and we have the support of our Governing Body.

This is my 8th year of headship at Westborough and the school continues to go from strength to strength. Teaching and learning is at the heart of what we do and we operate within a culture of professional trust.

The Ofsted inspection in 2017 designated the school as good, recognising that the 'pace of improvement is rapid.' Ofsted also commented on the 'real community culture in the school.'

Staff relations and a positive working environment make Westborough a great place to work and learn and I hope you choose to apply to join us.

Furthermore we have adopted a staff friendly special leave policy which again helps to improve your work/life balance in addition to enjoying excellent pupil/staff ratios.

We very much look forward to receiving your completed application.

Best wishes

Yours sincerely

J M Napper
