SECTION: ALL SCHOOL MODEL – BUSINESS SUPPORT

JOB TITLE: BUSINESS SUPPORT OFFICER

GRADE: 5

1 PURPOSE OF JOB

Schools/Colleges are providers of education, and extended learning services, all of which benefit pupils, parents and the local community. The school/college is a diverse employer that encourages the development of its staff who in turn deliver quality services to pupils and parents whose expectations are constantly rising both in terms of better services and access to them. Employees feel that they are contributing to the local community and making a difference to people's lives whilst working in a dynamic, fair and flexible environment.

This job is part of the generic Business Support job family which plays a key role in supporting schools to deliver high quality services.

In your role you will be part of a team within the school/college. At this level you will already hold RSA II, a level 2 NVQ qualification (or equivalent) or have previously gained an equivalent level of work experience. As well as a thorough induction into the school and the role you will receive regular support to help you to develop within both your current role and future career we will also support and encourage you to undertake further training and development for example RSA III or ECDL or gain an equivalent level of work related experience.

There are a variety of administrative, financial and business support duties that may form part of your job it will be expected that you deal with information which may be sensitive or confidential.

You will be expected to carry out your duties in line with the School's/Local Authority's policies, procedures and relevant legislation. You will be made aware of these in your appointment letter, contract of employment, induction, ongoing performance management and development and through School communications.

The Business Support Officer role is generic across School's, however if there are any aspects of the role that are specific to the school these will be included in the attached context sheet/s.
