Temporary Teacher of Chemistry

Department Information

We would like to appoint an outstanding Temporary Teacher of Chemistry.

We passionately believe that Chemistry is of vital and fundamental importance as a science. The Chemistry department has seven specialist teachers and two technicians.

The department uses five well-equipped modern laboratories, a large staff office and a dedicated prep room. We have detailed schemes of work and we share resources in order to achieve high standards of teaching and learning. Teachers usually teach in all key stages.

In Chemistry we follow the AQA GCSE (9-1) specification. Achievement is very high; 74% 9-7 and 96% 9-5.

Around 250 students study Chemistry at A-Level, following the AQA A-level specification. Our students achieve good results at A-Level, with approximately 40% of grades at A* - B.

Almost all A-Level Chemistry students continue to University, many studying medicine or related degrees and various branches of science.

The post-holder would be responsible for teaching Chemistry as part of the 'Discover Faculty'. Results in the faculty are very strong. Experienced colleagues provide wide-ranging expertise, which is shared throughout the faculty and department.

The department is always looking at ways of developing its curriculum and widening the experience for students.

We take great pride in providing our students with a first class education and instilling them with a love of learning.

For the Chemistry department at Heckmondwike, commitment, attitude, ideas, potential and enthusiasm are important qualities.

Consideration will be given to both experienced teachers and NQTs who wish to develop their teaching expertise in an outstanding school.

You will need to:

- believe in our school values of Respect, Responsibility and Excellence and follow our school ethos embedded in our motto of 'Nil Sine Labore' - Nothing Without Work
- be a reflective practitioner wanting to develop and hone your craft to the highest level
- be an inspirational teacher who builds excellent relationships and motivates students

Responsibilities:

Specific responsibilities are set out in a detailed job description.

In addition to this, teachers at HGS are expected to be effective, reflective professionals who challenge and support all pupils to do their best. Teachers at HGS should inspire confidence, build team commitment, engage, and motivate their pupils. They should think analytically about their work and take positive action to improve the quality of pupils' learning. They will encourage high standards of academic and personal achievement and be a good role model for the students in the school. They will make an active contribution to the policies and aspirations of the school and their department.
